RECORDING INDUSTRY
DEGREE PROGRAM

THE MISSION

The Fine Arts Department of Mississippi Valley State University recognizes the need to offer contemporary multi-faceted degree programs. The Recording Industry (RI) Degree Program will prepare its students for competition in the job market by combining skills in recording technology, musicianship, and business. Our mission is to train students for professional success by leading them toward preeminence through practical experiences in education.

THE PROGRAM

This program is designed to prepare students for professional careers in the recording industry as well as business management.

Students entering will focus their learning efforts in three fundamental areas.

1. AUDIO PRODUCTION
2. FUNDAMENTALS OF MUSIC
3. FINANCIAL MANAGEMENT

Opportunities will be available for students to apply classroom theories into hands on experiences in studio and live recording, mixing, editing, midi production, sound design and fiscal management decisions

Upon completion of this curriculum, students will have earned ample business core credits to apply for admission into the MBA (Master of Business Administration) program at Mississippi Valley State University.

THE FACULTY

The program has a diverse faculty, educated in reputable universities from across the nation and around the world and are totally dedicated to excellence in preparing the best minds for the recording industry.

FINANCIAL AID

Mississippi Valley State has a Program of financial assistance tailored to fit each individual need. At the Graduate level, students may qualify for loans, workstudy, graduate assistantships, or graduate diversity scholarships.

THE UNIVERSITY

Mississippi Valley State University is located in Itta Bena, Mississippi, and is one of eight public universities in the state. Founded in 1950, it continues to produce top scholars in various academic disciplines. MVSU has been consistently ranked as a "Best Buy" by *U.S. News and World Report* for three years. MVSU is now popularly referred to as "The Valley of Scholars," and under the leadership of President Lester C. Newman, is on a journey from "excellence to preeminence." MVSU is located in Leflore County in the heart of the Mississippi Delta. Adjacent to U.S. Highway 82, MVSU sits on a 450-acre tract of land, six miles from Greenwood, 100 miles from Jackson, and 120 miles from Memphis, Tennessee.
