Instructions for Using Practica Musica

Double Click on the Practica Musica icon on the desktop.

When the program comes up, DO NOT choose visitor, instead choose "cancel".

In the next dialogue box, choose, "Look for file at WebStudents".

In the next dialogue box, make sure that the box is checked in the lower left hand corner, "Use WebStudents Backup".

Type in your WebStudents Account name: mvsumu122s

The next dialogue box is a remote file list, the first time that you access this file you will need to choose new student and follow directions. Please password protect your account. Subsequent times that you enter this area you will choose your file.

Your progress in ear training can be saved and will also be tracked by me (your instructor).
